**THE CURRICULUM:** The White House Prep School offers an excellent education, as recently confirmed by the ISI. It delivers strong literacy, maths, extra-curricular lessons and activities. Children relish challenges, enjoy working together to solve problems, have an excellent attitude to learning and are both enthusiastic and eager to participate.

**GAMES & THE ARTS:** Physical education is an integral part of the curriculum at the White House and all pupils are given the opportunity to develop personal fitness and participate in team activities. The annual drama production and art exhibition are highlights in the school's calendar and illustrates their commitment to performing and creative arts and the involvement of all children in these activities.

**PASTORAL CARE:** The school provides an outstanding education which is shown through excellent 11+ results and achievements from pupils throughout the year. More importantly the children are happy. They are encouraged to develop emotionally as well as intellectually and the ISI commented that both pupils personal and moral development was excellent. Dedicated and experienced staff work closely with parents to enable all children excel most especially as people with confidence.

**RECENT SCHOLARSHIPS:** Over 50% of pupils receive academic, music, sports and all round scholarships to top London day schools and boarding schools when they leave at 11+.

**HEAD TEACHER'S PHILOSOPHY:** A culture of supporting one another combined with a safe, inspiring, engaging and fun learning environment that sets high expectations and ensures children have an empowering educational experience.

**OUTSTANDING CHARACTERISTICS:** A vibrant, forward thinking school with purposefully small class sizes which encourages and supports independent thinking. The school feels like one big family; this develops strong self-esteem in pupils who are confident but without arrogance.
